

Little Odd

by Christophe de la Fontaine

A medium scale metal chest. A typical industrial 3D laser cut is in a distinct contrast with the handcrafted laced up leather handle. The resulting shape is complex, although cut from a simple tube.

Typology: Chest

Material/finish:

powder-coated alluminium, white/black/bordeaux

Colours:

powder-coated steel in

white

black

bordeaux

Dimensions:

42 x 28 x 28 cm
